Registration
Registration will be available via the Congress website. The full registration fee includes the book of abstracts, proceedings (on cd-rom), attendance of all scientific sessions and the exhibition, coffee breaks, lunches, welcome reception and banquet. Student registration fee does not include banquet. Accompanying person fee does not include book of abstracts and proceedings.

The registration fee entitles presentation of only one paper. Additional presentations are each charged an extra paper fee of $100 USD.

Key dates

- Proposals for Structured Sessions: 1 November 2014
- Abstract Deadline: 1 December 2014
- Notification of Acceptance: 15 February 2015
- Submission of Full-Length Papers: 15 March 2015
- Deadline for Early Registration: 15 March 2015

22nd International Congress on Sound & Vibration
Florence, Italy, 12-16 July 2015

ORGANIZED BY
International Institute of Acoustics and Vibration
Acoustical Society of Italy

IN COOPERATION WITH
National Research Council of Italy
University of Florence

ICSV 22 – Florence 2015

General Chairs
Eleonora Carletti, Sergio Luzzi

Scientific Chair
Malcolm J. Crocker

Scientific Co-Chairs
Monica Carfagni, Marek Paweleczyk, Francesca Pedrielli

Exhibition Managers
Gecataro Licitra, Michel Rosmolen

Web Managers
Sebastian Budzan, Antonino Di Bella

Local Scientific Committee
Francesco Aderubal, Francesco Borelli, Giovanni Brambilla, Lapo Gasperi, Anna Magrini, Fabio Minioti, Simone Secchi, Alessandro Peretti, Francesco Pompoli

International Organizing Committee

Local Secretariat
Sara Recenti, Simone Senesi

Welcome to Florence - Welcome to ICSV22

The International Institute of Acoustics and Vibration together with the Acoustical Society of Italy have the great pleasure to welcome scientists and engineers from all over the world to attend ICSV22, the 22nd International Congress on Sound and Vibration. This important scientific event will be held in the magnificent city of Florence, situated in the heart of Tuscany. Florence is famous for its history, culture, Renaissance art, architecture and monuments. Florence has many impressive sights and attractions. Among the top attractions for ICSV22 delegates and their accompanying persons are the Piazza della Signoria, the monumental city hall Palazzo Vecchio; the Uffizi Gallery, the Duomo square with the Cathedral of Santa Maria del Fiore, the Baptistery and the Giotto Tower. The Ponte Vecchio, built in 1345, is the only surviving medieval bridge across the Arno River. The Accademia Gallery holds many important paintings and sculptures and Michelangelo’s David, which is probably the most famous sculpture in the world. All participants will have the opportunity to share their latest research results in acoustics and vibration with world-famous scientists and engineers in these fields. The friendly atmosphere of ICSV22 will facilitate exchanges of knowledge and experiences and improve relationships between participants and institutions.

Congress Venue

The Congress venue will be the Firenze Fiera Congress & Exhibition Centre, an exclusive area in the centre of Florence. The venue is only five minutes on foot from the central railway station of Santa Maria Novella and 1 km from the Cathedral, and is easily accessible by public transportation. It is only 5 km from the Amerigo Vespucci International airport. Other major Italian cities are connected to Florence by air and high speed trains.

Scientific Programme

The main topics of the ICSV22 include among others:
- Aero-Acoustics and Aviation Noise
- Architectural and Building Vibro-Acoustics
- Community and Environmental Noise
- Condition Monitoring and Vibration Testing
- Damping Technology
- Hearing Protection
- Industrial Noise
- Infrasound
- Musical Acoustics
- Noise and Vibration in Ships and Vehicles
- Noise Source Identification
- Signal Processing in Acoustics and Vibration
- Speech Intelligibility and Communication
- Transportation and Urban Noise

Distinguished Lectures

Otto von Estorff, Germany, Finite Element and Boundary Element Modeling
Kirill Horoshenkov, United Kingdom, Porous Material Characterization
Dick Botteldooren, Belgium, Soundscapes and Modeling Noise Effects
Semyung Wang, South Korea, Sound Focusing and Practical Applications
Lily M. Wang, USA, Room Acoustic Effects on Speech
Wim Van Keulen, Netherlands, Experiencing Noise-Reducing Pavements
Roberto Pompili, Italy, Opera House Acoustics

Social Programme

The social programme, prepared for the enjoyment of both the participants of ICSV22 and accompanying persons, includes the Welcome Reception, Banquet and Farewell Cocktail. Many tours in Florence city, in its neighboring touristic places and in other Italian famous cities as well, will be organized by the Congress Tourist Office, specifically for participants and accompanying persons.

Submission of Abstracts & Full Papers

All authors are kindly requested to submit an abstract (300 words maximum) related to the topics of the Congress through the Congress website www.icsv22.org. In case of any question please do not hesitate to contact the ICSV22 Scientific Secretariat at icsv22@acustica-aia.it.

Exhibition and Sponsorship

Companies are invited to take part in the ICSV22 exhibition. All refreshment breaks, including morning and afternoon tea, coffee and lunch, will be held within the exhibition area. In addition, the exhibition area is located near the scientific programme lecture halls, thus guaranteeing a high level of delegate visitation.

All exhibitors are also invited to present scientific papers in the congress technical programme and to organize technical visits for delegates, in agreement with the congress exhibition management.

Many attractive possibilities for sponsorship are also available, allowing for choice of best-suited option to present company or product. The exhibition and sponsorship prospectus, giving complete detailed information as well as relevant application forms and contact details are downloadable at the Congress website: www.icsv22.org.

For further information, contact ICSV22 Exhibition Manager at icsv22@acustica-aia.it.

Accommodation

A variety of different category hotel rooms is available in the close vicinity of the Congress Venue. Bed & Breakfast moderate cost and even exclusive five stars hotels are already reserved at reasonable prices. Detailed information on accommodation can be found on the congress website.
