

## REGISTRATION

Registration will be available on the ICSV24 website.

The fees are given below in £ Pounds Sterling including UK 20% VAT. Information for overseas companies on reclaiming VAT will be available on the Congress website.

The Full Registration Fee includes: congress material, admission to all scientific sessions and exhibition, refreshments, lunch, Opening Ceremony, Welcome Reception and Closing Ceremony.

The Accompanying Person Fee includes: access to a lounge in the exhibition area and morning refreshments. Opening Ceremony, Welcome Reception and Closing Ceremony.

## ICSV24 REGISTRATION FEES IN £ STERLING

Registration Types	Early Bird	Early	Late	On-Site
IIAV & IOA members	475.00	575.00	620.00	670.00
Non-Members	575.00	675.00	720.00	770.00
Students	400.00	475.00	520.00	570.00
Extra Paper	65.00	65.00	65.00	65.00
Accompanying Persons	70.00	70.00	75.00	85.00

## KEY DATES

Deadline for Early Bird Registration	<b>31 December 2016</b>
Deadline for Early Registration	<b>31 March 2017</b>
Deadline for Late Registration	<b>31 May 2017</b>

## GENERAL CHAIR:

**Jian Kang**  
School of Architecture, University of Sheffield

## LOCAL ORGANISING COMMITTEE:

**Abigail Bristow**  
School of Civil and Building Engineering, Loughborough University

**Barry Gibbs**  
School of Architecture, University of Liverpool

**Hugh Hunt**  
Department of Engineering, University of Cambridge

**Hilary Notley**  
Department for Environment, Food and Rural Affairs

**Yiu Lam**  
School of Computing, Science and Engineering, University of Salford

**Steve Elliott**  
ISVR, University of Southampton

**David Waddington**  
School of Computing Science and Engineering,  
University of Salford

**Paul Shields**  
Noise and Vibration Team, AECOM

## INTERNATIONAL ORGANISING COMMITTEE:

**Malcolm Crocker, USA**  
**Len Gelman, UK**  
**Marek Pawelczyk, Poland**  
**Luis Bento Coelho, Portugal**  
**Jorge Arenas, Chile**

**ICSV24**  
23-27 JULY 2017  
LONDON CALLING

24th INTERNATIONAL CONGRESS  
ON SOUND AND VIBRATION

2nd ANNOUNCEMENT

## WELCOME TO ICSV24, LONDON

The International Institute of Acoustics and Vibration (IIAV) and the UK's Institute of Acoustics are pleased to invite scientists and engineers from all over the world to attend the 24th International Congress on Sound and Vibration (ICSV24) to be held in London from 23 – 27 July 2017.

This congress is a leading event in the area of acoustics and vibration and provides an important opportunity for scientists and engineers to share their latest research results and exchange ideas on theories, technologies and applications in these fields. The congress will feature a broad range of high-level technical papers from across the world: distinguished plenary lectures will present recent developments in important topics of sound and vibration and include discussions about future trends. London is an exciting, dynamic and welcoming destination. It's a city where delegates can enjoy a rich diversity of culture, museums, art galleries, night-life, gastronomy, shopping and sport. Cosmopolitan London offers something to suit every delegate.

## THE CONGRESS VENUE: PARK PLAZA WESTMINSTER BRIDGE HOTEL, LONDON

Art meets design in the grand Park Plaza Westminster Bridge Hotel. Boasting views across Westminster Bridge over the River Thames to Big Ben, this hotel offers the perfect location for the ICSV24 congress with easy access to all the sights that London has to offer. The hotel is situated on the vibrant South Bank in the heart of London, an eclectic area buzzing with festivals, exhibitions, film and theatre, and is within easy walking distance of the city's most iconic attractions, including Big Ben, the Houses of Parliament, the London Eye and the London Aquarium. Details on accommodation at the Congress venue and other hotels can be found on the Congress website.

## SOCIAL PROGRAMME

The Social Programme for delegates and accompanying persons includes the Welcome Reception, Opening and Closing Ceremonies as part of the delegate fee. The Gala Dinner has to be booked separately. A lounge area for accompanying persons will be situated in the exhibition area, refreshments will be available in the morning and details will be provided by London & Partners on trips and tours around the city.

## SCIENTIFIC PROGRAMME

The subject areas will include:

T01	Acoustical Measurement and Instrumentation
T02	Active Noise and Vibration Control
T03	Aeroacoustics and Aviation Noise
T04	Environmental Noise Mapping and Urban Soundscape
T05	Physical Acoustics, Ultrasound and Wave Propagation
T06	Industrial and Occupational Noise and Vibration
T07	Machinery Noise and Vibration
T08	Materials for Noise and Vibration Control
T09	Psycho-Physio-Bio-acoustics
T10	Road and Rail Traffic Noise and Vibration
T11	Room Acoustics
T12	Signal Processing and Simulation
T13	Underwater and Maritime Noise
T14	Building Acoustics
T15	European Projects and Education in Acoustics

## EXHIBITION AND SPONSORSHIP

An extensive exhibition of sound and vibration measurement instrumentation, equipment and noise and vibration control technologies will be featured. Exhibitors will be able to book their stand space online, floor plan and costs will be published on the ICSV24 website. Delegates will have easy access to the exhibition, poster boards, refreshments and lunch in the exhibition area. There will be a wide range of sponsorship opportunities. Full details will be available on the ICSV24 website.

## DISTINGUISHED PLENARY LECTURES

IIAV HONORARY FELLOW:

**Dame Ann P Dowling** OM DBE FRS FREng,  
University of Cambridge, UK

DISTINGUISHED PLENARY LECTURES:

**Jens Blauert**

Emeritus professor at the Ruhr-Universität Bochum, Germany  
*Reading the World with Two Ears*

**Eric J Heller**

Professor of Physics and Chemistry, Harvard University USA  
*The Miracle of Resonance and Formants*

**Haiyan Hu**

Professor, President and Vice Chairman of the University Council,  
Beijing Institute of Technology, China  
*Advances in Flutter Analysis and Control of Aircraft Structures*

**Timothy Leighton**

Professor Engineering and the Environment,  
University of Southampton, UK  
*Climate Change, Dolphins, Spaceships and Antimicrobial Resistance – the Impact of Bubble Acoustics*

**Andrei Metrikine**

Professor Civil Engineering & Geoscience,  
Delft University of Technology, The Netherlands  
*Nonlinear Dynamics of Offshore Structures Subject to Marine Currents and Level Ice*

**Jérémie Voix**

Dr. Research Chair in Ear Technologies,  
École de technologie supérieure, Canada  
*The Ear Beyond Hearing*

## SUBMISSION OF ABSTRACTS AND FULL PAPERS

FOR NON PEER-REVIEWED PAPERS:

Abstract Deadline:	1 December 2016
Notification of Acceptance of Abstracts:	25 February 2017
Deadline for Full-Length Paper Submission:	31 March 2017
Notification of Acceptance of Full-Length Papers:	1 May 2017

FOR PEER-REVIEWED PAPERS:

Abstract Deadline:	1 December 2016
Notification of Acceptance of Abstracts:	31 December 2016
Deadline for Full-Length Paper Submission:	31 January 2017
Notification of Acceptance of Full-Length Papers:	15 March 2017

All abstracts and full papers will be submitted through the Congress website [www.icsv24.org](http://www.icsv24.org). Authors are required to register on the website before submitting their abstract. Abstracts should be a maximum of 300 words.
