WELCOME TO ICSV26, MONTREAL, QC, CANADA

The International Institute of Acoustics and Vibration (IIAV) and the Canadian Acoustical Association (CAA) are pleased to invite scientists and engineers from all over the world to attend the 26th International Congress on Sound and Vibration (ICSV26) to be held in Montreal 7–11 July 2019.

This congress is a leading event in the area of acoustics and vibration and provides an important opportunity for scientists and engineers to share their latest research results and exchange ideas on theories, technologies and applications in these fields. The congress will feature a broad range of high-level technical papers from across the world: distinguished plenary lectures will present recent developments in important topics of sound and vibration and include discussions about future trends.

Montreal is an exciting, vibrating and welcoming destination. It’s a city where delegates can enjoy a rich diversity of culture, museums, art galleries, nightlife, gastronomy, shopping and sport, not to mention the International Jazz Festival right before the conference. Cosmopolitan Montreal offers something to suit every delegate!

THE CONGRESS VENUE: HOTEL BONAVENTURE

The congress venue will be the Hotel Bonaventure Montreal located in the heart of downtown Montreal. The Hotel Bonaventure Montreal is a true Garden of Eden overlooking the bustling streets of the city and easily connected to the underground city, central station and the business district, Old Montreal, and major attractions. A block of highly discounted rooms have been secured for ICSV26, and participants are invited to consider staying at the conference hotel to make their stay in Montreal a memorable experience! Details on accommodation at the congress venue and other hotels can be found on the ICSV26.org website.

The International Journal of Acoustics and Vibration is the refereed journal of the International Institute of Acoustics and Vibration (IIAV). The IJAV is a non-profit international scientific society founded in 1995. The primary objective of the Institute is to advance the science of acoustics and vibration by creating an international organisation that is responsive to the needs of scientists and engineers concerned with the acoustics and vibration problems around the world.

Manuscripts of articles and technical notes should be submitted for review electronically in PDF format to the Editor-in-Chief. The full paper handling process is carried out electronically using the IJAV website at www.iiav.org/ijav — more details can be found on the journal website. Manuscripts are refereed by at least two referees and are reviewed by Associate Editors and the Editor-in-Chief before acceptance. On acceptance, revised articles, brief biographies, and photographs of all authors should be submitted to the Managing Editor using the IJAV website. Manuscripts are refereed by at least two referees and are reviewed by Associate Editors and the Editor-in-Chief before acceptance. On acceptance, revised articles, brief biographies, and photographs of all authors should be submitted to the Managing Editor using the IJAV website. Manuscripts of the articles must be prepared in strict accordance with the author instructions. No honorarium is paid for articles.

All information concerning subscription, new books, journals, conferences, etc. should be submitted to the Editor-in-Chief.

Starting in March 2016, IJAV became an open access journal and published electronically.
